

NORTH TEXAS WOMEN'S SOCCER ASSOCIATION SEASON REGISTRATION INFORMATION

Registration information should include the following:

- ✓ Date Sheet
- ✓ Fee Sheet – **Does NOT include payment for the referees.** You are responsible for paying the referee's at the field.
- ✓ Team Information Sheet
- ✓ Player Experience Sheet – for new teams only
- ✓ ID by Mail form
- ✓ Team Waiver – due at first captains meeting of **EVERY** season
- ✓ Field Choice sheets
- ✓ Preferred Night for make up games

In addition to the above items, all team captains or team representatives should make sure that they have a current copy of the NTWSA General Rules. These are available on our website at www.ntwsa.org. New team(s) and/or team representative(s) should copy these rules and keep on hand at all times.

Please read:

RETURNING TEAMS: Clearly mark a single line through the names of any player NOT returning to your team. If you have an address change, please mark a single line through the address/city/zip/phone and write your change on the reverse side of the roster.

NEW TEAMS: Please fill out a new roster using the blank one provided. You may type or print. You also need to complete the Player Experience Sheet – **PLEASE BE THOROUGH.** This helps us when doing team placements. If there is no information provided, you may end up in a division not satisfactory to your experience level. **PLEASE** refer to the website (www.ntwsa.org for current listing of team names so that you do not choose one already existing).

MERGING TEAMS: You are required to fill out a new roster. You may type or print. Any information regarding the players merging is very helpful in team placements. **Please include the team player is coming from on the back of the form.** If you are changing your team name, **PLEASE** refer to the website (www.ntwsa.org for current listing of team names so that you do not choose one already existing).

If you are in need of players: Please contact Cathey Wright via email at: catheywright@yahoo.com

NTWSA does not hand out any information on this form without the consent of the team captain. Captain, Co-Captain, and/or Coach information will **NOT** appear on the roster. The team captain will be the primary contact for all team correspondence. Co-Captains may be cc'd on the same correspondence.

NTWSA SPRING 2012 DATE SHEET

REGISTRATION DATES: *This is the ONLY date you may register your team!!!*

SATURDAY – JANUARY 14, 2012 from 9:00 am to 6:00 pm. Various NTWSA Board Members will be on-site periodically throughout the day to answer questions if needed.

Registration appointments are in 15 minute increments (more time may be needed for new teams or merging teams). Please email me at talnacaldwell@yahoo.com or call my cell: 214)384-6481 to make an appointment. Quick and Easy... In and Out!!! Please refrain from having players “meet” you to hand in ID information. If this cannot be avoided, please handle this type of thing outside as we will be registering teams inside and space is limited.

Monday – February 13, 2012 Captain’s Meeting – 7:00 pm
SCHEDULES will be distributed along with current season validated ID cards, game cards, and updated rosters! Any other necessary information will also be distributed or available at this time.
Location: TBD

Sunday – February 19, 2012 SEASON BEGINS!!!!

NOTE: Games will not be scheduled on Easter Sunday – April 8, 2012.

If your team is planning on playing in ANY tournaments – please advise at registration so that the field coordinator may reschedule that game ahead of time. Remember that there is a \$20.00 tournament reschedule fee to pay for the lights for the night game. Reschedules for tournaments after registration will not be accommodated, you will have to forfeit should you elect to attend the tournament after registration.

ALL PLAYERS WISHING TO PLAY IN NTWSA MUST OBTAIN AN NTWSA ID CARD!!!

ALL COACHES THAT WISH TO “COACH” AT GAMES MUST OBTAIN AN NTWSA COACH’S ID CARD!!! Any coach without an ID card and receives a red/yellow carded will be subject to suspension and penalty as well as the team captain and/or co-captain.

If you have players that need an NTWSA ID card, they need to fill out the ID by mail form (also located on the website). Please see that your new players fill this form completely to avoid delay in their ID card being available for registration or for a game. **Please do not refer them to me!** You are the captain of your team! An add/delete/transfer form needs to be completed by you acknowledging the addition/delete/transfer of player to your team. Please make additional copies for your convenience.

If you have players leaving your team PLEASE release their ID in addition to listing them on the add/delete/transfer form so that any team wishing to pick up the player will have their ID available at registration. This will help registration move smoothly for all involved!!

Any team picking up a transferred player will not be able to do so if the ID is not available at registration. They may add this player at a later date – when ID has/is turned in from the team they are leaving. **NTWSA will NOT get involved in any dispute between a captain or player. Remember, this could be you at a later time.**

Some simple FAQ: We will have someone on hand that will be making ID cards that are completed and ready to go.

If you wish to register a player the date of registration – you **MUST** have all their information which will be: ID by mail from, copy of driver's license, and a COLOR photo – preferably the size of their driver's license picture. IF they are able to make the d/l copy in color – that photo **CAN** be used for the ID!

Black and white photos will not be accepted.

Incomplete forms will be turned away and you can add at a later date when you have everything needed. No additional fees are required. Just the normal fee you would have paid at the time you registered your team had the ID been available.

If you have a player coming from another team, and their team has not come through prior to your arrival deleting this player, you will not be able to register her until the team she is leaving has released her from their roster. Releasing her means: Turning in an Add/Delete/Transfer form (her info in the delete section) and her ID card. No additional fees are required. Just the normal fee you would have paid at the time you registered your team had the ID been available.

We will have a separate location for coach ID cards so they do not get mixed in and over looked. ANYONE that will be standing at the game “coaching” from the sideline (making substitutions) **MUST** have a coach's ID card. Anyone coaching at a game that cannot or does not produce to the ref or line a valid COACH card may be asked to leave the game. If any altercation begins and this “coach” does not have the appropriate validated COACH card, the team captain will be responsible for the actions of this person and any other person that may become disruptive. This could also affect the co-captain if the captain is not available at such game.

Any team playing a player without a validated NTWSA ID card, may or will be subject to suspension for playing an illegal player. Please refer to Section VIII. Responsibility of Team Captain – H. Noting Ineligible or Illegal Players.

All players **MUST** wear their assigned number on their Jersey through to entire season. Anyone not wearing their assigned number will be considered an illegal player and subject to the NTWSA rules resulting in up to a minimum of one year (1) suspension. The captain, knowingly playing this player could be subject to the same punishment.

NSF - \$20.00/CHECK – Any team giving an NSF check to NTWSA, Ref, or line will not be allowed to pay with a check throughout the remainder of the season. This has become a growing issue within the association. Please ensure you have funds to cover these fees.
